Teaching Profile:

Subjects taught to the students

- Web Technologies
- Micro Processors
- Computer Networks
- Visual C++ Programming
- Programming and problem solving
- Data Structures
- Database Management Systems
- Operation Research
- Object Oriented Programming through Java
- Object Oriented Programming Using C++
- Discrete Mathematical Structures
- Management Information systems

Technical contribution to students:

- C Programming
- Data Structures using C and C ++
- Software Engineering
- Java Programming
- Advanced Java Programming
- Visual Programming
- UNIX
- Web Programming

Technical Skills:

Operating Systems : MSDOS, WINDOWS 98, 2000, XP, UNIX, Linux
Languages : C, C++, Java, Visual Basic
Web Applications : HTML, JavaScript, JSP
Database : ORACLE, SQL Server 2000, MS-ACCESS.

Personal Profile:

Name : P L N Prakash Kumar
Father's Name : P L Narayana
Date of Birth : 16-03-1980
Address for communication : D.No-24/222
P G Centre Road
Bondili Street,
Nuzvid-521201.
Languages Known : Telugu and English
